

# High-Flow Diesel Filtration

*Lower your Fuel Cleanliness ISO Codes for Less*

Meet your fuel cleanliness standards  
with effective but affordable filtration

## HIGH PERFORMANCE LOW COST FILTRATION

FlowTech is your source for CimTek brand high-flow fuel filter elements. Choose from cellulose, resin-impregnated, filter media or our high performance microglass filter media. With extremely competitive pricing and a large inventory of filters we can help you meet your filtration goals.

## OUTPERFORMING THE COMPETITION

Our cellulose filter outperforms the leading competition with an Efficiency Beta 1000 value of 14 microns versus 24 microns from Donaldson's P550212 filter and is comparably priced. Our high performance microglass filter has an Efficiency Beta 1000 value of 7 microns providing high quality filtration with the inventory and expertise you expect.

## COMPREHENSIVE FUELING PROCESS SOLUTIONS

*that won't impact the environment or your bottom line*

FUEL OVERFILL PREVENTION SYSTEMS – MOBILE FUEL DEPOTS  
HIGH FLOW FUEL FILTRATION – FUEL/LUBE CONNECTORS  
FUEL NOZZLE SALES & REPAIR – DEF STORAGE/DISPENSING

## FASTER FUELING RATES

Increase productivity without compromising your safety or environmental profiles. FlowTech offers Tank Overfill Prevention Systems capable of handling flowrates up to 1200 gpm (4,542 lpm)!
